

**Mission Statement**

The Jim Burks Firefighters Memorial Park has now expanded to include sites which honor all those who serve as fire fighters, law enforcement officers, first responders, and military personnel, from both past and present. “**Memorial Lane**” also contains sites for Places of Honor for those fallen heroes who have made the ultimate sacrifice. This is the reason for and purpose of **Memorial Lane**. You can help in this endeavor by purchasing a brick paver to honor those, wherever they have lived, who have served or who are currently serving.
